Invites all Christchurch Dentists & Technicians to the  
**CHRISTCHURCH STUDY GROUP MEETING**  
**Friday 4 May 2018 at 6.45pm**

**REGISTER EARLY**  
**LECTURE LIMITED TO 30 SEATS**  
**Registrations & Refreshments**

Dr Marshall Hanson is a member of the New Zealand Academy of Cosmetic Dentistry and an Accredited Fellow Member

of the American Academy of Cosmetic Dentistry.

His clinical work has been published in various peer reviewed journals, nationally and internationally, with a focus on new technologies and responsible aesthetics.

He graduated with Honors from the University of the Pacific Arthur A. Dugoni School of Dentistry (UOP) in 2007, and currently works at Villa Dental in Hamilton, New Zealand.

**2 HOURS VERIFIABLE CPD CREDITS**

NZDA verifies, that based on the information provided to NZDA, this activity meets the Dental Council policy requirements for CPD.

NZDA CPD verification does not imply promotion or endorsement of the contents of any course. Attendees need to use professional judgment to assess the validity and usefulness of techniques, materials or therapeutic products to their own practice.

**NZACD Members complimentary**

**Non Members - \$75** including gst  
discounted to **\$55** if payment received  
prior to lecture date.

**PRESENTER:**

**DR MARSHALL HANSON DDS, FAACD**

**TOPIC: Responsible Aesthetics with Direct Resin**

With access to mass information sources like Google and YouTube, those of the general public with an interest in improving aspects of their smile are becoming increasingly aware of what traditional tooth preparation looks like — and they **do not** want it! More and more consumers are seeking solutions to their dental aesthetic concerns that require little-to-no irreversible removal of their natural tooth structure.

Those doctors who can confidently offer their patients highly aesthetic yet minimally invasive treatment options will be increasingly sought after — and **you** can do it!

**LEARNING OUTCOMES:**

Participants will gain exposure to a very simplified systematic approach to responsible aesthetics with direct resin veneers.

These easy-to-follow principles will streamline the complexities of composite artistry and enable a careful learner to soon master the clinical techniques that efficiently and predictably produce the "high-quality results at a low biologic cost" that patients will truly value.

**All attendees must RSVP (for catering purposes) to Robyn Bowie by Tuesday 1 May 2017 to [admin@nzacd.co.nz](mailto:admin@nzacd.co.nz) or telephone 09 358 4647**

The Christchurch address to attend the Study Group is

**Ivoclar Vivadent Ltd premises**
