Invites all Dentists & Technicians to the

WELLINGTON STUDY GROUP MEETING

TUESDAY 3 NOVEMBER AT 7.30PM

PRESENTER: Dr Andrea Shepperson BDS

TOPIC: "Current Ceramic Options"

Dr Andrea Shepperson will present a review of commonly available materials for porcelain indirect restorations.

Come and hear a stimulating presentation from one of New Zealand's best speakers in general and cosmetic dentistry.

Dr Shepperson writes for NZDA News and other publications, is an Auckland Dental Association Mentor and a Director of NZACD.

Her roles have included international speaking engagements for the American Academy of Cosmetic Dentistry, Ivoclar Vivadent Ltd and Nobel Biocare.

- > **Confused by the choice on your laboratory's prescription form?**
- > **Uncertain which ceramic to choose?**
- > **What is the difference between milled and pressed ceramic?**

In an age of so much choice it can be difficult to know what to select and what your laboratory may be choosing for you. Driven by convenience and efficiencies, our laboratories are increasingly moving to milled ceramics. Are they better?

Learn about:

- > Shortcuts that labs may take.
- > How your prep design is critical to material performance.
- > The limitations of materials available.
- > How and when to select different materials.
