Special areas of Interest include CAD CAM Dentistry, Dental Lasers, Adult Orthodontics & Implantology.

**2 HOURS VERIFIABLE CPD CREDITS**

NZDA verifies, that based on the information provided to NZDA, this activity meets the Dental Council policy requirements for CPD.

NZDA CPD verification does not imply promotion or endorsement of the contents of any course. Attendees need to use professional judgment to assess the validity and usefulness of techniques, materials or therapeutic products to their own practice.

**NZACD Members complimentary**

**Non-Members - \$75** including gst discounted to **\$55** if payment received prior to lecture date.

**PRESENTER:**

**DR KAREN HARRIS**

**TOPIC:**

**Bonded Composites in everyday practice.  
 A formula for success**

The methodology to place a class 2 restoration composite will be explored in detail. Placement techniques can be good clinically but slow and time consuming to deliver. Some methods are fast but clinically inferior.

**We will discuss:**

- How to be time efficient and clinically successful
- What makes a great class 2 composite restoration?
- What are the common pitfalls and how to overcome them?
- How to get tight contacts
- The Triodent matrix system
- Avoiding iatrogenic damage
- Reliable dentine bonding
- Causes of post op sensitivity
- Types of bulk fills
- New composite filler technology
- Simplified anterior composites
- Easy shade matching system

Participants will be shown time saving methods to place good quality Posterior Class 2 composite restorations. Selecting the correct Shade and a simplified method for placing aesthetic anterior composites.

**All attendees must rsvp (for catering purposes) by Tuesday 20<sup>th</sup> August 2019 to [admin@nzacd.co.nz](mailto:admin@nzacd.co.nz) or telephone 09 358 4647**  
**No refund will be made for cancellations received less than 7 working days of the event. No refunds for "no-shows"**
