

Invites all Christchurch Dentists & Technicians to the  
**CHRISTCHURCH STUDY GROUP MEETING**  
**Friday 21<sup>st</sup> May 2021 at 6.30pm**

John Batchelor started his career in the dental industry as a Dental Technician in 1979 and as a Clinical Dental Technician since 2000.

He holds qualifications in Dental Technology, Clinical Dental Technology and a restricted scope of practice in implant overdentures. He has built his reputation, dental laboratory, and clinical practices around continuing education, continual improvements, keeping up with the latest trends, techniques and developments in dental technology. He has built a state-of-the-art dental laboratory which includes teaching facilities that enables him to run inhouse and external courses using local, national, and international lecturers. It is a certified BPS® dental laboratory focusing on quality removable prosthetics and orthodontics servicing dentists, dental specialists around New Zealand along with his 13 clinics in the South Island of New Zealand. John is a certified BPS® instructor, a key opinion leader for 3Shape, and Ivoclar Vivadent New Zealand. He travels to Japan biannually to study the teachings of Dr Abe and his suction Effective Mandibular Complete Denture (SEMCD) technique. In 2018 he was appointed by Dr Abe as one of the few SEMCD instructors. He is regarded as a global expert in the field of digital dentures, giving lectures and running workshops both in New Zealand and internationally.

**2 HOURS VERIFIABLE CPD CREDITS**

NZDA verifies, that based on the information provided to NZDA, this activity meets the Dental Council policy requirements for CPD.

NZDA CPD verification does not imply promotion or endorsement of the contents of any course. Attendees need to use professional judgment to assess the validity and usefulness of techniques, materials or therapeutic products to their own practice.

**NZACD Members complimentary**

**Non-Members - \$75** including gst  
discounted to **\$55** if payment received  
prior to lecture date.

**PRESENTER:**

**JOHN BATCHELOR**

**TOPIC:**

**Digital Dentures, Scan, Design & Mill**

**Lecture Synopsis:**

Digital Dentures in New Zealand are a reality. Key Opinion Leader John Batchelor will show how he works with Dentists like you, receiving your digital scans or impressions and designing them for partial and full immediate dentures. John will cover how digital dentures are manufactured and the pros and cons of both milling and printing dentures.

**Learning Outcomes:**

The attendee will gain a comprehensive overview of modern denture manufacture. Attendees will learn what is required to clearly communicate with their laboratory. They will also gain insight into what is required to scan and send to a digital laboratory and what features are "best practice" in modern laboratories.

All attendees must rsvp (for catering purposes) by Friday 14<sup>th</sup> May 2021 to [admin@nzacd.co.nz](mailto:admin@nzacd.co.nz) or telephone 09 358 4647

No refund will be made for cancellations received less than 7 working days of the event. No refunds for "no-shows"

The Christchurch address to attend the Study Group is

**The George Christchurch**  
**Treasury Room, 50 Park Terrace**
