

Invites all Auckland Dentists & Technicians to the
AUCKLAND STUDY GROUP MEETING

Tuesday 27th July 2021 at 7pm

**Dr Rajiv
Rajpal**

Dr Rajpal is a fully registered Specialist Oral Surgeon. He has completed close

to 10 years of training from both the University of Otago, NZ and the University of Sydney, Australia. Graduating with a Clinical Doctorate of Oral Surgery has allowed him to become a highly trained specialist. Dr Rajpal practices the full scope of oral surgery including management of pathology such as cysts and tumours of the jaws, surgical removal of teeth including wisdom teeth, placement of dental implants, both bone and soft tissue grafting procedures, as well as management of jaw joint disorders and facial pain. He has previously been a consultant Oral Surgeon in public hospitals within Sydney and now calls Auckland home. Dr Rajpal was a Clinical Lecturer and Examiner in Oral Surgery at both the undergraduate as well as postgraduate levels with the University of Sydney. He is also involved with clinical research having recently completed his research on the Epidemiology of Facial Fractures in NSW.

2 HOURS VERIFIABLE CPD CREDITS

NZDA verifies, that based on the information provided to NZDA, this activity meets the Dental Council policy requirements for CPD. NZDA CPD verification does not imply promotion or endorsement of the contents of any course. Attendees need to use professional judgment to assess the validity and usefulness of techniques, materials or therapeutic products to their own practice.

PRESENTER:

DR RAJIV RAJPAL

TOPIC:

Minimising Implant complications and the Oral Surgery workflow and planning in dental implantology

Lecture Synopsis:

This lecture is aimed for the general practitioner to understand implant planning and workflow to mitigate challenges and peri-operative complications. I will discuss the surgical principles of implant placement and adjunctive procedures.

Learning Outcomes:

1. Developing a pragmatic surgical and prosthetic plan.
2. Documentation.
3. Surgical principles: Flap design, sequential osteotomy preparation and closure.
4. When things go wrong mid procedure what to do.
5. Post-operative reviews.
6. Common complaints and what to do.
7. Case discussion

All attendees must rsvp (for catering purposes) by Tuesday 20th July 2021 to admin@nzacd.co.nz or telephone 09 358 4647
No refund will be made for cancellations received less than 7 working days of the event. No refunds for "no-shows"

The Auckland address to attend the Study Group is

Cordis Auckland - Gallery Room 4
83 Symonds Street
Grafton, Auckland

Registrations & Refreshments from 6.30pm
Lecture 7pm

Non-Members Fee Payment: \$75 (including GST) – discounted to \$55 if paid prior to lecture date.
